**4. On My Way To Dream Land** *Kathy Reid-Naiman* c SOCAN 2001
**Ken** *guitar,*
On my way to dream land on a starry night
I think I see the sandman coming into sight.
I can hear the night birds call, singing soft and low,
I can hear the little creatures bedding down below.
On my way to dream land on a starry night.

On my way to dream land on a starry night
I've got my favourite Teddy bear with me for the flight.
With my cozy blanket, I'm tucked in snug and warm,
So I can stay in dreamland until the early morn.
On my way to dream land on a starry night.

Coming home from dreamland at the break of day,
I've said goodbye to all the friends I've met along the way.
The morning stars are rising and twinkling out of sight
The golden sun is coming up to chase away the night .
Coming home from dreamland at the break of day.
